Price: \$29.00

Short Description

Sonia's workshop- "Who or what controls your perception" ?

3 hour DVD

Description

This is a three hour webinar on overriding the hypnotic spell under which the collective operates. All human beings are automatically initiated under the spell of the game rules of this reality. There is a core game within this reality and it is from this level of the game that we are held spell bound.

Your life is a cunning game of deceptions and illusions upon which you continue to build more illusions as you attempt to ascend from the clutches of the matrix; the system; the game!

This three hour Webinar will engage in concepts by which we can override these running programs which continuously lead to dead ends and a life on rewind

THIS IS A SCIENTIFIC REALIZATION OF THE NATURE OF THIS COSMIC GAME

SPIRITUALITY IS ABOUT THE AWAKENING TO THIS AWARENESS

No hype, no savor tales being spun, no overdose of rituals; simply an encounter with yourself as the observer/creator/dreamer

2012 IS JUST ANOTHER CODED CYCLIC MOMENT

Both the past and the future is based on your perception and it's all happening in this NOW moment

How it unfolds in your perception of reality is completely up to you

Everything is possible in the cosmic game; reality is showing itself to you according to your perception
